_____

Career Objective-

Motivated and detail-oriented B.Tech 4th-year Information Technology student from School of Engineering and Technology (Kanpur University), seeking an opportunity to apply my programming, database management, and problem-solving skills in a dynamic software development environment.

Education-

Qualification	Institution	Year	Percentage
B.Tech (CSE)	School of Engineering and Technology, Kanpur (Kanpur University)	2022–Present	7.51 Cgpa
Class XII	G.N. National Public School, Gorakhpur	2021	91.6%
Class X	Saraswati Shishu Mandir Sr. Sec. School, Gorakhpur	2019	91%

Technical Skills-

• Programming Languages: C (with Data Structures & Algorithms)

• Database Management: MySQL

• Core Subjects: DBMS, Operating Systems, Computer Networks

• Tools & Platforms: VS Code, MySQL Workbench, GitHub

Academic Projects-

• Mini Database Management System (C + MySQL): Developed a console-based student record management system with CRUD operations integrated using MySQL.

• Data Structures Implementation in C: Created stack, queue, linked list, and binary tree programs focusing on efficiency and algorithmic understanding.

Achievements-

• Scored 91.6% in Class 12th and 91% in Class 10th.

• Participated in coding competitions and technical workshops.

Strengths-

• Logical and analytical problem-solving ability

• Quick learner and adaptable to new technologies

• Team player with effective communication skills

Interests-

Coding | Problem Solving | Learning New Technologies | Reading Tech Blogs
